

LIKE NEW BUILDING

BROADWAY P. T. A. MEMBERS
PLEASED WITH PICTURE OF
PROPOSED NEW SCHOOL

The Broadway Parent-Teacher Association held its regular meeting Thursday afternoon at which time the picture of the proposed new building for that campus was on display. Members were very much pleased with it.

Superintendent White explained the necessary preliminaries of advertising for bids and expressed the hope that work could begin in the near future. He also explained the effect of the advanced cost of labor and materials which may make necessary some modification of the original intent when the building was planned and the bonds voted. It was stated that four rooms of the present building may have to be wrecked before work can begin on the new structure and that will necessitate finding quarters for those rooms outside.

Prof. Harry Howe made a talk on the needs of the High School and the proposed bond issue, and Mrs. A. A. Barton, president of the P. T. A. Federation, referred to tree planting day, which has been set for February 12th, and a committee was appointed to confer with the members of the school board and the City Forester in regard to plantings in connection with the school campus.

THE ACME OPENING

The opening of the Acme Market at 113-115 North Brand Boulevard, Glendale today, is being recognized by the officers of that large company comprising thirty-eight stores in Southern California.

Edward Dale, a former resident of Glendale, 361 Salem Street, and five years ago proprietor of the Studebaker sales rooms in this city is now president of this association, and although he is busy at the head office in Los Angeles, found time to visit the opening of the Glendale store and shake hands with acquaintances here.

Roy Smith, general manager of the thirty-eight stores, was formerly a resident of Glendale, being employed in the Central Market. Roy has been taking a very active part in getting the Acme in perfect running order in Glendale. J. W. Brill, vice president and secretary of the chain of markets, has been spending considerable time here looking after business adjustments.

T. L. Totman has been selected as local manager of the store, and has purchased a residence property at 510 North Central of which he will get possession soon.

MUSIC MAKERS HONORED

Thursday evening members of the official board of the First Methodist Church and the Sunday School united in the giving of a banquet in honor of members of the church choir and orchestra. Rev. Charles H. Scott, the former pastor, made the principal address. Arthur Lindley was spokesman for the official board and A. W. Tower for the Sunday School. The Ladies' Aid furnished the supper, the tables being attractively decorated and well filled. According to all reports, everybody had a glorious time.

COMMUNITY SING

CHORUS HAS TO BREAK INTO
HIGH SCHOOL, BUT HAS EX-
CELLENT REHEARSAL

Those who came to enjoy the Community Sing Thursday night had a hard time breaking in because the janitor had forgotten to leave the building open. They finally effected an entrance by means of a fire escape, and later the doors were opened for exit. Whether difficulties proved inspiring or some other cause furnished stimulation, it was an unusually successful evening and the leader complimented the chorus on its good work.

The repertoire included the new song, "The American Legion," "Bull Dog Song," "Auld Lang Syne," "Last Night," "Believe Me, If All Those Endearing Young Charms," "Dixie Land," "Now the Day is Over," "Boola Song," "America" and "Star Spangled Banner."

L. T. Rowley, the newly elected president, expressed his appreciation of the honor conferred upon him by the chorus and modestly declared his inability to fill the place of his predecessor, Mr. Mitchell. He referred to the underlying motive of the government in urging the organization of community sings to promote pa-

TRUSTEES' MEETING

TENTATIVE PLANS FOR WIDEN-
ING LOS FELIZ ROAD
DISCUSSED

The Board assembled at 7:50 p.m. January 15, 1920. There were present Trustees Henry, Jackson, Muhlenberg, Woodberry; absent, Trustee Shaw. Minutes of the regular meeting of January 8, 1920, were read. On motion, a correction was ordered to be made on Page 643 in reference to the report and recommendation of the City Manager in regard to repairs and improvements of the City Hall building in the Tropic District, making the same to read as follows: "And that the City Council Chamber needed tinting. On motion of Trustee Henry, the City Manager was instructed to make the repairs and improvements as recommended by him, etc." With this correction the minutes were approved.

Mr. Frank E. Booth appeared before the Board, requesting permission to use temporarily certain material in the construction of a garage on Broadway within the limits of the Fire District, the same being prohibited by ordinance. Mr. Booth stated that owing to the impossibility of securing non-combustible material at the present time he made this request. The chairman of the Board stated that matters which are fixed by ordinance can not be set aside by action of the Board of Trustees except by amendment to the ordinance complained of.

Mr. J. C. Beldin also appeared before the Board, stating that he desires to move a corrugated iron building to the rear of another lot one hundred and fifty feet (150) deep, but that owing to the restrictions of the Building Ordinance he would be compelled to place the same on the line of the alley unless a special permit is granted him. The Chairman of the Board stated that in regard to this request the limitations of the ordinance can not be set aside by the Board except by amendment.

Mr. C. E. Kimlin, Superintendent of the Glendale Sanitarium and Hospital, and Mr. A. Kemper Campbell appeared before the Board, protesting against the use by a hospital that it is proposed to establish in the city, of the title or name which they claim conflicts with that of the Glendale Sanitarium and Hospital. Mr. Campbell spoke at some length in regard to the matter and Mr. Roy Kent, representing the Glendale Memorial Hospital Association replied. The plea of the Glendale Sanitarium and Hospital was that the Board of Trustees rescinded its action regarding a permit to the Glendale Memorial Hospital Association. On motion of Trustee Woodberry, the matter was referred to the Committee of the Whole, Trustee Henry voting no.

A representative of the Leeco Mfg. Co. addressed the Board, desiring a permit to do business in their two-story building on San Fernando Road. The City Attorney advised the Board that there is nothing in the City ordinance requiring a permit for the establishment of such an enterprise.

It was now ordered that bids advertised to be opened at this time for supplying the Public Service Department with material, be opened, read and publicly declared. Bids were opened, read, and on motion of Trustee Jackson referred to the City Manager.

Mr. Chris Smith of Verdugo Road protested to the Board against the establishment of a garage and machine shop on the east side of Verdugo Road, south of Tenth Street. He was informed that the Board has no jurisdiction in the matter.

Protest Against the Establishment of an Industrial District
A protest was presented to the Board, signed by Mrs. Florence T. Trosier, and thirty-one other property owners and residents of Oak, Cherry, Colorado and Harvard Street against the establishment of an industrial district on San Fernando Road between Colorado Street and Broadway. Protest was read and ordered to be filed, the same to be taken up when the subject is again brought before the Board. The Chairman stated in regard to the said industrial district, that the Board had made a partial investigation of the matter, particularly in the northern part of the proposed district, but desired further time to look into it.

An application was read from Chambers & Felts requesting a permit to stretch a canvass banner over a portion of the street on Brand Boulevard, for advertising purposes, on January 17 and 18th, 1920. On motion of Trustee Woodberry, it was granted.

A communication was read from

FIRST MEETING OF LEAGUE OF NATIONS

CHARACTERIZED BY PRESIDENT OF LEAGUE COUNCIL AS
"SOLEMN ACT"; FRIENDSHIP EXPRESSED FOR U. S.

(Special Service to Glendale Evening News)

PARIS, Jan. 16.—The League of Nations became a reality at 10:35 a. m. today when the first meeting convened in the Clock Room of the French foreign office.

Leon Bougeois, president of the French Senate, presided and was later elected president of the League Council. The session adjourned at 11:50.

Bougeois, in delivering the opening address declared the "League of Nations has been allotted several distinct tasks" including the enforcement of peace, the formulation of an international organization for the regulation of "the economic and social life that will form the foundation of the new era now opening," and the international regulation of labor conditions.

He said the organization will remain incomplete until an assembly of all states "comes together," but "this meeting nevertheless has the character of a most solemn act."

Referring to the failure of the United States to join the League, he said:

"The task of presiding at this meeting and the inauguration of this greatest international institution should have fallen upon President Wilson. We respect the reasons which still delay decision by our Washington friends but we express the hope that these soon will be overcome. The work will then assume a definite character."

Earl Curzon followed Bougeois, urging the necessity of abolishing secret diplomacy and expressing the hope that nations soon will disarm.

Curzon denied that the League implies the creation of a super-state and said it does not interfere with national entity "because it is upon nationhood that it rests." Curzon declared he fully concurred in the remarks of Bougeois regarding the United States.

"The decision must be her own," Curzon said, "but if the United States does elect to take her place in the new council of nations, that place will be vacant for her and I am sure a warm welcome will wait her."

The Italian Minister of Labor, Ferraris, termed the United States "the great friend of mankind," and expressed hope that this country soon would join the League. He said the Russian problem "is one for the League to consider."

The first resolution presented provided for the appointment of a Saar Basin commission, and another named London as the next meeting place.

TSING KAO CONTROVERSY

JAPANESE MINISTER TO CHINA INSTRUCTED TO CONFER
WITH CHINESE GOVERNMENT REGARDING IT

(Special Service to Glendale Evening News)

TOKIO, Jan. 16.—The Japanese Cabinet has instructed the Minister to China to confer with the Chinese government on a settlement of the Tsing Kao controversy. The Cabinet, it is learned, is inclined to favor settlement on an international basis.

The N. P. Banks Corps, No. 67, W. R. C., setting forth the work done by the Woman's Reher Corps, and requesting that the city remit to that organization, light and water bills. On motion of Trustee Henry, it was ordered that the request of the organization be granted and that the water and light bills be remitted.

A communication was read from F. H. Lowe, for the Committee having charge of the finances of the Glendale float. The communication was to the effect that the total expenses in connection with the preparation of the float amounted to \$393.53, and the total subscriptions, including the one hundred dollars subscribed by the Board of Trustees, amounted to \$355, leaving a deficit of \$38.53. It was requested in the communication that the Board assume the payment of the deficit. The communication was accompanied by detailed statement of receipts and expenditures. On motion of Trustee Henry, it was ordered that the sum of \$38.53 be appropriated from the Advertising and Promotion Fund to apply on the payment of bills, as recommended in the communication.

Communication was read from the Community Sing, thanking the Trustees for financial support.

Demands were presented and referred to the Finance Committee.

Later, demands were reported back approved by the Finance Committee, and on motion of Trustee Henry, warrants were ordered to be issued in payment of the same.

The report of the Building Inspector was presented and ordered to be filed, showing buildings erected during the month of December, amounting in value to \$105,200.

City Manager

The City Manager presented tentative plans for the opening and widening of Los Feliz Road which were informally discussed, and on motion, further consideration of the matter was continued until eight o'clock, p. m. January 22, 1920, when a public

hearing on the subject will be held in the Council Chamber.

The City Manager presented a statement in regard to the proposed new rates for light and water, which was ordered to be filed.

The City Manager reported that he had taken up with the owners the question of deeding to the City, for road purposes, certain lots which had been set aside for the continuation of Pacific Avenue, north of Broadway.

City Attorney

The City Attorney, having prepared an ordinance for the establishment of an industrial district, the same was referred to the Committee of the Whole.

The City Attorney reported the receipt of a letter from the Railroad Commission in regard to the application of the City of Glendale to the Commission to fix compensation to be allowed to the Southern California Gas Company in the event of the city deciding to take over that property. The communication requested to be informed as to whether the city desires the Commission to proceed further in the matter. On motion of Trustee Woodberry the City Attorney was instructed to reply that the city is not intending to drop the matter at the present time, and to suggest in the same communication that the Commission proceed with its investigation of the telephone matter for the purpose of arriving at a conclusion some time in the near future.

The Public Works Committee, through Trustee Woodberry, reported progress in the matter referred to it in regard to the removal of trees from parkways.

The ordinance presented at the regular meeting of January 8, 1920, was on motion of Trustee Jackson, taken up and passed as Ordinance No. 367. "An Ordinance of the Board of Trustees of the City of Glendale amending Ordinance No. 274, as amended by Ordinance No. 364 of the City of Glendale."

I. O. O. F. HOSTS

ODDFELLOWSHIP BOOSTED AT
BIG ENTERTAINMENT
AND SUPPER

Thursday evening, January 15, was a Red Letter occasion in the history of the local Odd Fellows lodge. A campaign to boost Oddfellowship has been inaugurated and an entertainment and oyster supper had been planned with this end in view, as well as to provide a good time for the members and their families.

The Odd Fellows are very happily situated in the rooms at 111½ East Broadway and all the club rooms, dining room and auditorium were all thrown open for the occasion.

A program arranged by C. W. Ingledue was given in the early part of the evening and consisted of an invocation by the chaplain, Rev. C. R. Norton, a violin solo by Mr. Caney, which was well received, and a saxophone solo by Mr. Woodhouse, which was a good demonstration of his proficiency with the instrument. Miss Wright gave several readings which were greatly enjoyed, and Mr. J. B. Clark pleased the audience with vocal solos.

A very excellent address in which Odd Fellowship was eulogized was given by Attorney Fred E. Petersen of Los Angeles, who is a prominent Odd Fellow of the Angel City. He spoke of the good Oddfellowship does for humanity, of its care of the sick, the widows and orphans. He spoke especially of the Odd Fellows' home which is soon to be moved from Gilroy to San Jose.

Following the program all enjoyed an oyster supper, which was prepared by the official chef of the lodge, Richard Roberts, who has an enviable reputation for this kind of work among his lodge brothers.

While a part of the company was engaged in the dining room the others were enjoying music and dancing in the club rooms. The Odd Fellows think they have one of the nicest halls in Glendale. The club rooms are open to members and visiting Odd Fellows every evening in the week except those evenings when the hall is rented out for other purposes.

The two hundred guests present seemed to enjoy the entire evening thoroughly and the cause of Odd Fellowship received a big boost in this entertainment so nicely planned and carried out. All members and visiting Odd Fellows were especially urged to be out to the installation next Thursday evening when the District Deputy Grand Master and his staff will be out from Los Angeles to conduct the ceremonies.

"Y" BANQUET

MEN INTERESTED IN COUNTY
WORK DISCUSS PLANS

Last evening a number of the local men interested in the county Y. M. C. work met for dinner at the Presbyterian Church. Mr. H. L. Howe, chairman of the Group Work Committee, presided at the meeting and gave his report of the work his committee had done, also plans for the future. The work among the High School boys has commenced, the first group of senior boys under the leadership of Mr. Norman Hayhurst meet next week and the next High School group will be organized under the leadership of Mr. J. MacMillan. Each man present was asked to give his ideas of what he expected the county Y. M. C. A. to do for the boys of Glendale and some very interesting items were brought out.

The time was next given over to Mr. R. P. Anderson, who made a splendid address on "The Work of a Y. M. C. A. Group and the Responsibilities of its Leadership." He told many interesting experiences of his fifteen years among boys and started off his talk with the startling statement that there is no boy problem, it's essentially a man problem. All the swimming pools and gyms in creation will not save the boys; what boys need and crave is the companionship of some fine clean man of Christian character and the idea of service for the other fellow.

Among the plans made at this meeting was the meeting for boys Saturday evening at the Intermediate School building and the Sunday afternoon story club, all of which will be told Saturday evening.

Mrs. L. A. Wagon of 425 North Kenwood has as her guests Mrs. Crouse and Mrs. Schulze from Burlington, Kansas. They expect to spend three months in California.

THE CENSUS BOARD

GLENDALE ENUMERATORS EX-
PLAIN FAILURES TO SECURE
FULL INFORMATION

Olin Spencer, a Glendale census enumerator in one of the districts west of Brand, states that a meeting of the enumerators assigned to the canvass in this city was held last evening in this city, which was attended by Supervisor Dodson and Mr. Duntlee of the main office of the district in Los Angeles. It was there learned that most of the enumerators had not yet finished the canvass of the territory assigned them. Mr. Spencer declared in speaking of the work, that before the canvass ended it was probable every resident of the city would be reached and recorded. Having finished his own territory, more was assigned him. The instructions to enumerators are, he says, to return to all homes a second time or to leave blanks to be filled out and forwarded to the main office in Los Angeles. Also they are told to record all persons resident of the city January 1st, and persons giving the information are expected to include all members of the family who are temporarily absent from home. For this reason tourists are not being included in the census record here because it is expected that they will be recorded in the place of their permanent home by the members of their family there who will be called upon for information.

Farris Brown, another of the enumerators, reinforced the statements of Mr. Spencer, saying that the canvassers had been allotted time enough to cover their territory once, but not to go over it two or three times; that in each instance blanks had been left to be filled out. He complained of inability to secure entrance at certain homes where he knew members of the family were at home, though they would not answer his ring because they supposed him to be an ordinary agent or canvasser. Also, he says, blanks which he left at certain homes instead of being filled out have been mailed in blank to Los Angeles. He declares the enumerators are as anxious as any one could be to have Glendale thoroughly recorded and to that end he furnished a complete list of the enumerators and the districts assigned them that persons whose records have not been secured may send the blanks to these enumerators or call upon them in person. The list follows:

Farris C. Brown, Precincts 11 and 12.
M. D. Burke, the annexed portions of Burbank and Verdugo, Precinct No. 1.
Dan Carney, Precincts 14, 15 and 22.
Mary E. Dell, Precincts 1, 2, and 10.
Miss Mabel Evarts, Precincts 8 and 9.
Mrs. Dovie Grist, Precincts 13 and 21.
Wesley Hunefelt, Precincts 18, 19 and 20.
E. J. Jackson, Precincts 3 and Verdugo, No. 2.
Mrs. L. C. Sinclair, Precincts 16 and 17.
Olin Spencer, Precincts 4 and 5.

HELPING SOLVE HOUSING PROBLEM

Mr. and Mrs. Lessard who are comparatively new comers and who purchased the property of E. H. Harding at 707 Orange Grove Avenue, are very much pleased with their choice of a residence town. They came originally from the State of Washington and located in Glendale after a residence of several months in Los Angeles. Mr. Lessard is a contractor and soon after arrival purchased the old church edifice of the First Methodist Church which he is now wrecking with the intention of placing four bungalows on the two lots the church occupied. He is also building some houses on Cedar St. and has taken several other contracts, one from Dr. Henry R. Harrower.

MATINEE CLUB

Miss Clara Ringert of 416 Myrtle Street was hostess on Wednesday of the Matinee Club which took in "Nothing But Lies" at the Majestic in Los Angeles. The party included Mrs. Frank Hester, Mrs. J. W. Usilton, Mrs. John Robert White, Mrs. C. G. Farrell, Mrs. H. Lee Clothworthy, Mrs. William Gibson (who substituted for Mrs. William Nash) and the hostess, Miss Ringert. The ladies found the play highly diverting and had a jolly time.

WEATHER FORECAST: Partly cloudy tonight and Saturday. Temperature unchanged.

COMMUNITY SING

(Continued from Page 1)

triotism and bring the people together in a closer union as citizens of a great republic. He spoke of Robert Browning's poem, "Saul," as read Tuesday evening by Marian Craig Wentworth, and the description it contains of David, with his harp exercising the evil spirit that tormented Saul, and said:

"We, in our work here, are trying to drive out an evil spirit that we all realize is present in our country. It has been demonstrated that in all parts of the country we have it—in the City of Los Angeles and even in our own little town of Glendale. So we have undertaken in this way to eradicate that spirit of evil that would overthrow our government, that would destroy our homes and the very principles on which our republic is founded."

Mr. Rowley then explained he had received some applications from persons who wished to join "Mr. Mitchell's vocal class" and declared himself unable to undertake that work and so had taken the liberty of referring such applicants to Mr. Kierchoffer.

He also spoke of a campaign to build up the Community Sing by promotion work through the teachers and pupils of the public schools and thus reaching the parents, saying he believed it would bring good results as teachers and principles are all willing to help. He also said that offers of financial help had been given him and he believed the outlook was encouraging. The little speech was warmly applauded and Mr. Mitchell referring to his "vocal class," said he was perfectly willing to "split fifty-fifty" with Mr. Rowley.

J. F. Harden, who has established a furniture store in Hollywood, is very much pleased with the business he has been able to do there, which has been better than he expected. He and his family are still residing in Glendale at 346 Vine Street with small prospect of finding a house in Hollywood.

CALIFORNIA HAS BIG RICE CROP

In eight years the Sacramento valley of California has developed a new agricultural industry, rice growing, which this past season has resulted in a gross production estimated to be worth approximately twenty-one millions of dollars. This showing is the result of research carried on by the Bureau of Plant Industry of the Department of Agriculture. Following experiments by the bureau covering three years, the first commercial rice crop was planted in 1912. The value of the 1919 rice crop in California will probably be several millions greater than that of wheat and peaches, both of which are commonly thought of as relatively large crops in this state.

W. C. T. U. MILESTONE

The observance of the fifteenth anniversary of the Glendale W. C. T. U. in an all-day meeting January 11th at the Presbyterian church was an event of much interest to the organization and their friends.

The morning was occupied with enthusiastic speeches by the clergy on the great prohibition victory in securing the eighteenth federal amendment to overthrow the liquor traffic.

The symposium was opened by Rev. E. E. Ford of the Baptist church, in a ringing address which was followed with shorter but appropriate speeches by Rev. O. P. Rider, Rev. I. A. Ford, Rev. W. E. Edmonds, and Rev. A. B. Smart. Dr. Florence Kellar, visitor from New Zealand, was introduced, and gave a thrilling address concerning the prohibition efforts in that country. Mrs. O. P. Rider and Mrs. Hattie E. Gaylord also gave four-minute speeches of interest.

Some historical points are: The union was organized in 1905 in the old Presbyterian church by Mrs. Hester Griffith, with fifteen members. Now there are about 150

members. Many others have come and gone.

The W. C. T. U. was the pioneer in placing a drinking fountain for public use on the street corner of Broadway and Glendale Avenue, at a cost of over \$200.

They were active in effort to secure equal suffrage for the state, and in securing the red-light abatement law and other measures of value to the community. They have been constant and energetic in work of the several campaigns for California dry and in keeping before the people the need of abolishing the liquor traffic from state and nation. They did most efficient war service work, helping in Red Cross as well as through their own channels, with time work and in sending out their loved ones as soldiers. Thirty-one W. C. T. U. homes were represented by their boys in the U. S. army.

In all good work for the uplift of humanity they have ever been alert and faithful.

Mr. and Mrs. I. A. Ford favored with a pleasing duet.

The Presbyterian W. C. T. U. members served as joint hostesses in a most gracious manner. They laid places and arranged a bountiful lunch in the class room, to which all were freely invited, and a very pleasant social hour was enjoyed at the tables.

The afternoon session began with singing "Enforce Prohibition Where You Are." Mrs. Mottern read a message from the National President, Miss Anna Gordon, in which she said, "We must help hold the high, dry ground of national prohibition—still are we challenged to a big task." Mrs. Ruby Smart spoke on the W. C. T. U. world work, saying in part that it is not generally known that the first challenge for a sober world was given out by Miss Frances Willard in 1884, in that famous Polyglot petition sent to all the governments of the world, asking them to eliminate intoxicating drinks. This petition has over 7,000,000 signatures by people in fifty different lands. The W. C. T. U. has estab-

lished its work in over forty nations, with missionaries and workers in these fields and is the best fitted to promote worldwide prohibition of any organization.

Mrs. Smart also spoke of the jubilee campaign now being waged by the organization, and several new members were secured.

The principal address was given by Mrs. Martha W. Law, of Los Angeles,

president of the W. C. T. U. Federation. She spoke of the present and coming civic obligation of women citizens. The address was very instructive and much appreciated. Beautiful solos were given by Mrs. Gibbon and Miss Adams and a violin and piano duet by Miss Tarling and Miss Walters. The day was a good time for all, and marked a milestone for the local union.

—here! —today! —now!

—Today is the opening day of your new Acme Market;

—doors are wide open in welcome to the people of Glendale and vicinity.

—the placing of such a complete market here (one that would be a credit to Los Angeles) is eloquent proof of our faith in the growth and go-aheadness of Glendale.

So come! —bring the family; enjoy the display of groceries, of meats, vegetables, fruits and delicatessen.

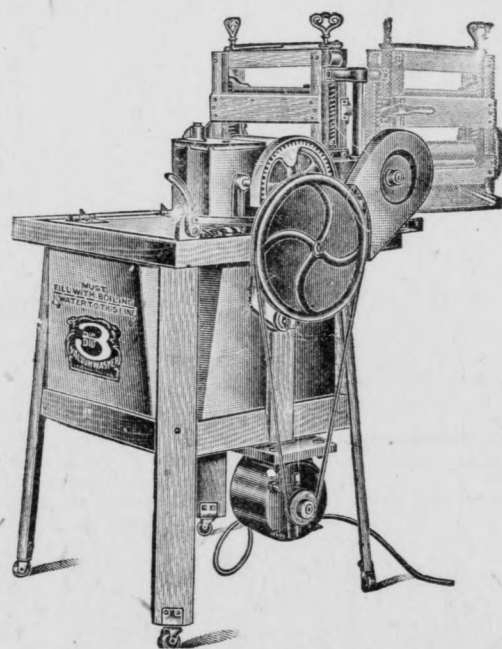

—there's music—and demonstrations of food products.

You will be proud of your Acme; you will find no need to go out-of-town for the economical buying of food products; you have here every advantage of selection—and money-saving prices.

Be sure of a cordial welcome today—and every day—and

—be glad you have an Acme near you.

Washing Machine

Nearly every woman considers the buying of an electric washer as an event—it marks the change from drudgery to pleasure in her laundry work. So when she is taking this important step she wants to select the best she can find. The Big Three is very near perfection in a washing machine. It is light and easily moved from place to place. The solid copper tank and dash do away with any possibility of rusting or soiling the clothes. The wringer can easily be swung into place and all machinery is protected so there is no danger of accident to any one working about the machine.

FRANKLIN'S BIRTHDAY

Today is Benjamin Franklin's birthday. In hundreds of school rooms throughout the West his life and deeds and teachings will be reviewed and the lessons and philosophy which he expounded will be impressed on the minds of the children of the twentieth century—a century whose greatest need, perhaps, is to follow the way marked out by this "First American" nearly two hundred years ago. For the nation which Benjamin Franklin helped build is saddled with the greatest debt in its history—\$26,000,000,000.

Benjamin Franklin was born January 17, 1706. He lived to be 84 years old, and in that span of years he helped write the Declaration of Independence and the Constitution of the United States and rendered perhaps as valuable service to his young country as any man of his time save Washington.

Franklin epitomized America—so much so that the Encyclopedia Britannica characterizes him as the "First American." He rose from a poor apprentice printer boy to a position in which the world had to concur with his name. He was artisan, scholar, diplomat, statesman, scientist, author, American.

Despite all of his accomplishments, however, his popular fame today rests on his personal thrift and his thrift philosophy. Today, 214 years after Franklin's birth, America is turning more and more to his way of life, recognizing that the truths he taught are the nation's salvation.

The United States of America, in its Thrift and War Savings program, is really using "Poor Richard's Almanac" as a textbook. Great financial minds of the country have made it plain that "Poor Richard's" philosophy is the only way out of our present day difficulties, such as high prices, for one thing, and social unrest for another. It is the only way to pay for the war. In that conflict we destroyed billions of dollars worth of wealth, and until we restore what we destroyed the world will be short that much. Saving—just the old fashioned personal thrift and saving taught by Benjamin Franklin is the way out.

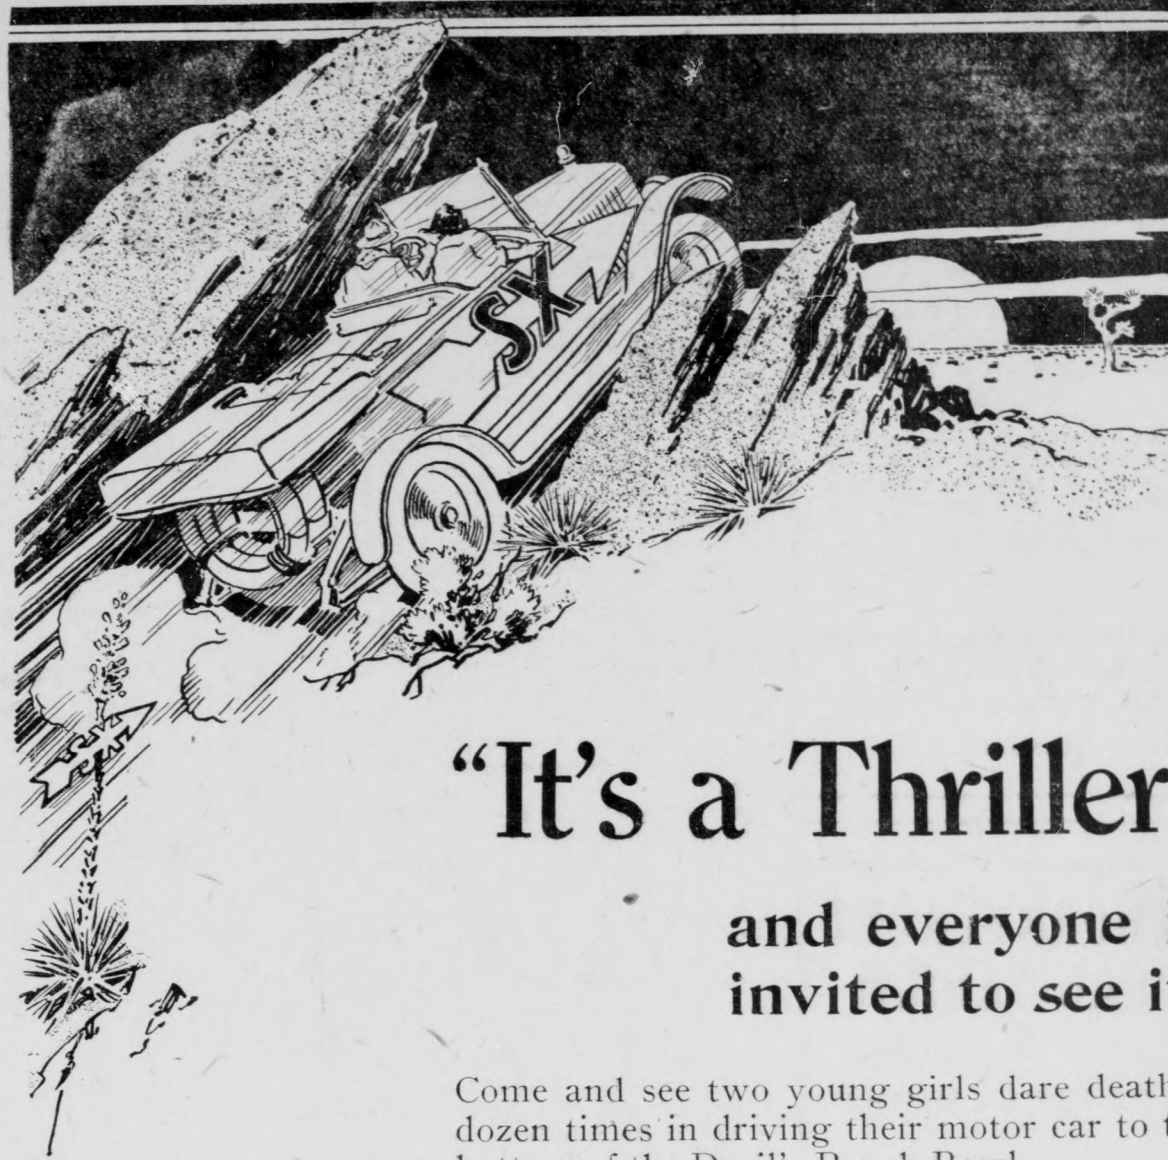

That is the philosophy of the United States Thrift and War Savings Stamps and that is why every American citizen should set aside regularly part of his income to buy them.

Personals

E. H. Harding and family, formerly of 707 Orange Grove Avenue, have bought a home at 144 Providencia Street, Burbank.

Mr. and Mrs. William J. Strong entertained at dinner on Tuesday. Mr. and Mrs. Bazell of Hollywood and Mrs. Snyder of Los Angeles.

Mr. and Mrs. Don McKay of Waukesha, Wis., and Mrs. A. Valteau of Grinnell, Ia., were guests on Thursday of Miss L. Cutler of 220 North Louise.

Francis E. Gilman, of the Gilman Art and Stationery Store, left Thursday for Sacramento, San Francisco and other northern cities on a combined business and pleasure trip during which he will visit relatives in the bay cities. He will be gone a week or ten days and Mrs. Gilman will have charge of the store in his absence.

Mr. and Mrs. T. J. Morgan of 522 West Harvard, are enjoying a visit from their son, Wil' Morgan of Boston, who will be here three weeks or a month. It is a grief to him not to see his brother, Tom Morgan, who passed away a few weeks ago, but he is very thankful he saw him at Camp Upton, when Tom was en route for France. Mr. and Mrs. Morgan had not seen their son for six years. He is connected with the Boston Herald.

Mrs. H. E. Bartlett of North Brand Boulevard and Mrs. Wells of Minneapolis, the house guest of Mr. and Mrs. J. H. Braly, went to Los Angeles Thursday afternoon to attend a reception given by Dr. and Mrs. Patton of the First Congregational Church, Los Angeles, for Madame Day, mother of the former pastor, Dr. William Horace Day, who is spending the winter in Southern California. Mrs. Bartlett describes it as "a very lovely affair."

Mrs. H. C. Lynn, of 119 North Cedar Street, who was operated on at the Glendale Sanitarium on Thursday, is reported as getting along nicely. Dr. Boyer performed the operation. Mrs. Lynn is the mother of Mrs. J. W. Cooper and Mrs. J. A. Corcoran.

Mrs. Lenox of Van Nuys is at the home of her parents, Mr. and Mrs. M. P. Harrison, recuperating from quite an illness which took the form of intestinal trouble. She and Mr. Lenox have been unfortunate, as he was ill when he returned from a tour of the East. Mrs. Lenox is much better and hopes her troubles are over.

Mr. and Mrs. G. G. Isaac of 501 North Maryland have had the pleasure recently of entertaining relatives and friends from their former home, Minneapolis, Minn. Their guest list has included Mr. Tenner and his daughter, Miss Tenner, who are spending the winter in Los Angeles.

and Mr. and Mrs. H. T. Goertz, also spending the winter in Los Angeles. Miss Hulda Isaac, daughter of the house, spent the week-end visiting friends in Uplands where Mr. Isaac formerly had a studio.

MRS. ROACH LUCKY

Mrs. G. D. Roach and Mrs. Haskell Lapham of this city on Wednesday attended the luncheon and bridge club in Los Angeles of which they are members. This is a very informal organization, limited to two tables of players. It has the unique custom of providing enough prizes to go around among the membership who are permitted to choose their trophies in the order of their scores. They have a great deal of fun over this part of the afternoon's program as none of the favors are expensive, though each hostess aims to provide things of genuine value. Mrs. Roach had high score on Wednesday and therefore first choice.

NOTICE OF PUBLIC WORK

Public notice is hereby given that the Board of Trustees of the City of Glendale on the 8th day of January, 1920, did at its meeting on said day adopt a Resolution of Intention No. 1085, to order the following improvement to be made on a portion of that certain alley in Tract No. 618:

Section 1. That the public interest and convenience require, and it is the intention of the Board of Trustees of the City of Glendale to close up, vacate, and abandon for street and alley purposes, all that certain portion of that fifteen (15) foot alley in Tract No. 618 as per map recorded in Book 17, Page 108 of Maps, Records of Los Angeles County, Cal-

fornia, more particularly described as follows:

All of that portion of that certain alley in said Tract No. 618 lying southerly of a line drawn from the northwest corner of Lot 17, of said Tract, No. 618, to the northeast corner of Lot 26 of said Tract.

The district to be assessed to pay the damages, costs and expenses for the described improvement is hereby made to Resolution No. 1085 for further particulars of said work.
